STANDARDS/BENCHMARKS ADDRESSED SUMMARY

How to Interpret:

When reviewing the "Standards/Benchmarks Addressed Summary, " all curriculum statements from your organization are considered in the accounting of items addressed. Under this reporting structure, if a child statement (bench mark) is considered "addressed," its parent statement (standard) is also considered addressed. in cases where there are three or more levels of statements (i'e.grandparent;parent;child),all levels above the lowest level that is addressed are also considered addressed .Reporting from this analysis consider each statement as being of equal value.
